Please be advised, I am writing to STOP
approval for a "Trash Train" to come through
Woburn, Massachusetts to get to the Olin

in Wilmington, Massachusetts to sneak
in at that highly contaminated Olin
Chemical site more contaminated waste.

This is a highly residential area with two
elementary schools, a day care center and a
large Senior Housing Complex.odor and pests
from the municipal solid waste handled by the
site will impact nearby homes. Also the
noise from grinding will be unbearable.

Please Do Not Approve! Keep our neighbors SAFE.
