Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

CN | EJ&E

Environmental Impact Statement

Date: 8/27/08

Comments must be submitted by September 30, 2008.

DEIS neglects to properly address the environmental, public safety, and air quality impact of the increased freight traffic. Costs for acceptable accomodations to the communities involved is not addressed. Tax or government funds for these accomodations are not feasible or even possible in this current economic climate. All citizens should be concerned with this acquisition, including the "citizens" on the STB. Deny! Deny! the Request
