Subject: NET - CAD file request

Hi Rob & Ron,

Would it be possible for either of you to provide us with the CAD dwg file (with layers) that the attached pdf was created from? Rob had sent Neil this pdf a couple of weeks ago. If the CAD file is too large to send via email, please coordinate with Neil and he will forward you an invitation to upload the file to an FTP site.

(See attached file: Stantec Aerial Site Plan satellite- 6-15-16-24x36 site plan satellite (6-20-16).pdf)

Thanks,
Danielle
