1 MR. CARR: I would like to remark
2 about the problem with police and fire
3 departments. They can't get through with
4 the trains. They are even slow now.
5 Some are a mile long. I don't think that
6 will help anything. People are going to
7 be stuck. This is a protection to
8 ourselves. We don't have it if they come
9 through.

10 Thank you. Ted Carr. I'm in
11 Deer Park.
