Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I have been a resident for 30 years
I have enjoyed the peace & quietness
of such a historical village

I am concerned for the following reasons

1) Safety - The limiting of fire engines
& police for emergencies if trains
are coming thru town

2) Noise level - many nursing & retirement
homes in community

3) Again - Safety of children w/ numerous
trains constantly going through town

4) Real Estate Values declining because of
traffic

Feel that CN should NOT acquire
EJ&E!!!!!!!

YOUR INPUT IS IMPORTANT!
