### Transcript:

We just got the word that H.R. 6707 law did not pass. We are pretty devastated, but we need to move on. STB, Surface Transportation Board seems to be our last glimmer of hope, I hope that you guys decide to not pass this acquisition of the CN Railway. Our way of life, the area in particular where we reside and others around the whole rail system will collapse, we'll use our house value, nobody will want to buy them and we'll be stuck with two mile long trains that'll continue to cause some kind of a danger in the area, especially if there's an explosion, spill. We have wells in this area, our wells could be contaminated, our house would be worth nothing. You guys are our last hope. Hopefully you can stand up to the giants, CN, and just say no to this acquisition. Thank you
