Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

As a Mother of 3 Children I greatly oppose the acquisition of E.J. & E. I currently live close to railroad tracks that my children cross on foot and by bicycle on a regular basis. I fear for their safety with the increased traffic as well as the actual trains themselves causing harm to my children!

My Father's life was saved by the quick response of paramedics after he suffered a heart attack... I can't imagine what would have happened if he had to wait for EMT to arrive because they were stopped waiting for a train to pass!

PLEASE STOP THE ACQUISITION
