Comments:

We need an Environmental Impact Statement because:

I was hoping to continue to live on 6th ST which I have my whole life already. Allergies are my only health issue. I have all year round allergies. Never use spray or aerosol cleansers. Don't smoke, never did. Fumes and smoke are my biggest problem. This development on 6th street can be a serious problem to mine + especial to the many children that live around here and play in the park 2 blocks away. I am a college student with no more medical insurance and need to know what can potentially ruin my health. What besides dirt & soot will enter my lungs!

* REQUIRED FIELDS

I authorize the Embankment Preservation Coalition to file this comment with the Surface Transportation Board.
