Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

WED. SEP 27, 08
Date: _____

Comments must be submitted by September 30, 2008.

To the respected Ladies & Gentlemen to
whom it may concern:

In my family's perspective of this proposed
R.R. Expansion we feel the environmental
damage would be absolutely irreparable.
It savages this pristine bucolic landscape
country side our village seems outrageous.
The impact on school children and families being
delayed, deprived and put in jeopardy of their safety
is undeniable. Businesses will shut their door
and this charming village will be a ghost town!
Please prevent this catastrophe from occurring!

THANK YOU IN ADVANCE
