Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

With increased traffic by having more freight trains coming through the town of Barrington many issues will arise. Emergency vehicles could be cut off from our nearest hospital which will cost lives. Our children will have increased travel times to school, not to mention the dangers a lot of children will confront by crossing our tracks daily. Our town will fail because people won't want to be bothered by 2 mile trains.

Don't Do It!
