Questionnaire and Comment Form

Southwest Gulf Railroad Company's
Proposed Rail Construction in Medina County, TX
STB Finance Docket No. 34284

June 12, 2003

This questionnaire and comment form is designed to help you identify and describe any issues of interest to you regarding Southwest Gulf Railroad Company's Proposed Rail Construction in Medina County, TX. Your comments will help the Surface Transportation Board, Section of Environmental Analysis understand public interests and concerns about the project as we conduct our environmental review.

Please complete this questionnaire after you have reviewed the exhibits. If you have a concern about a particular geographic area, please circle it on the attached map.

Please give us the completed form tonight or mail it to:

Attn: FD 34284
Rini Ghosh
Attorney-Adviser

1. Which of the following applies to your situation?

— The proposed rail line is near my home.

NO The proposed rail line is near my business.

NO The proposed rail line crosses my property

— Other, please specify

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

1 What will happen to the dam when they eliminate

2 Where are they going to get the dirt to close the hole

3 Who is going to be responsible for all the tracks when the drivers don't give a dam, one way or another

3. Please use this space for additional comments or suggestions.

4 Where is all this water coming from to keep us + down

5 There are 7 holes in the ground in SA. Now is that what you are leaving us.

Thank you for your comments.
