The pre-meeting sounds fine. However, we are available for the conference call at 3pm EST. Will that time work for everyone?

That works for me. We can use my contractor's conference call-in number if Monday at 2 PM EST (10 AM Alaska Time) works for ACHP as well.

Hi Dave,
Thanks for circulating all the comments that STB received from consulting parties on the draft Programmatic Agreement. There appears to be a number of new components (additional working group, landscape, oral histories, curation, MSB as an invited signatory, human remains, etc.) that warrant discussion between the STB, ACHP and SHPO prior to a full consultation meeting. If this sounds like a good approach, I'll propose March 21 at 10 am Alaska Time for a quick teleconference. - Doug
