STB Finance Docket No. 35087

Mrs. Johnson - Bull -

I am quite concerned about the CN/EJ&E purchase. I urge you to require CN to pay for solutions to the noise issues. Canadian National must observe quite zones and.

Additionally, longer trains will undoubtly block many of the intersections in Frankfort, causing excessive traffic delays, especally of school busses and emergency vehicles. Therefore, CN should pay for bridges and such to alleviate these issues.

Thank you
