Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-26-08

Comments must be submitted by September 30, 2008.

I strongly oppose the CN acquisition of EJ&E.

I'm concerned about the safety issues - transportation of dangerous chemicals transit frequency proximity to schools

I'm concerned about the quality of life in the community — the noise — the inconvenience.

I'm concerned about the inadequate funding for the infrastructure changes.

I'm most concerned about our property values. They most certainly will drop dramatically.

Thank You
