Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

Having lived in this Barrington Community
I Am greatly apposed to the CN Acquisition
of the EJE Railway through Barrington
for the following Reason

1. Safety - it is estimated that these
freight trains could be 500 miles
in length. As such it could block
the four (4) crossings all at one
time. This could easily prevent
emergency vehicles from responding
to emergencies which could be life
threatening.

2. What it would do to local property
values - it would definitely lower them.
This would be terrible for young
families with large mortgages.

3. Noise - currently the trains
going through town when there horns
at 2-5 am. How many more horns
or an evening this would cause? Too
many gonna cause disturbance to the
