Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

1. The Areas Around Gardner, South Wilmington
and Reddick Have Deep mine Shafts That extend
from the mine for miles in all Directions. I Highly
Doubt They will sustain Train Travel over them for
any extended period of Time.

2. We have 3 Nuclear power plants in our Area's
with evacuation routes needed in case of an
emergency. I Highly Doubt Any consideration By GBLT
has been Done to this Issue
