Commenter: Carol Seeger

Organization: Campbell County, Wyoming government

State: Wyoming

Agency: Surface Transportation Board

Initiative: Tongue River Railroad

Submission Text

On behalf of the Board of County Commissioners of Campbell County, Wyoming, please accept this comment as general support for the project sponsored by the Tongue River Railroad Company. Campbell County is rich in coal resources and fully recognizes the challenges in transporting coal to communities who need and desire the low sulfur coal generated from this region. Transportation resources are limited and have remained static. Any effort to enhance transportation opportunities is desirable. Thank you for the opportunity to comment.
