Re: STB Docket No. FD 34284-Southwest Gulf Railroad Company-Construction and Exemption-In
Medina County, Texas

Dear Ms Ruston,

The Medina County Historical Commission held their Quarterly Meeting In Hondo, Texas the evening of August 26, 2015. I placed the Re. request by Southwest Gulf Railroad Company on our Agenda. After a short discussion the Commission Members voted NOT to support any sort of request for a Railroad! We feel it would disrupt our Rich Historic Values in the County.

If you have any additional questions on the subject, my email is aggie1202@sbcglobal.net.

Sincerely

Robert Hancock

Chairman of the Medina County

Historical Commission
