Other, please specify *the rail line will be anywhere from a few feet to 1/2 mile from our property*

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

We don't believe the environmental impact will hurt any of the surrounding area. Our property has been in the family for over 100 years and I (Glean) have lived on the property for 59 years.

3. Please use this space for additional comments or suggestions.

*This rail line is much preferred instead of a large amount of truck traffic. Any old homes in the area will not be impacted. Most of those opposed to the rail line have not been life long residents of this area.
