DEAR MR. NAVECKY,

DICKET # FD 35952

I AM A CONCERNED FARMER & LAND OWNER. THE PROSPECTS OF A RAILROAD COMING THROUGH OUR PROPERTY RUINING NOW & FUTURE INCOME, RUINING PASTURE FOR ANIMALS, & THE NOISE IT WOULD BRING TO US & OUR ANIMALS IS MIND BOGGLING.

IF THE RAILROAD GOES THRU & GETS BUILT, WHAT IF THE RAIL LINES DON'T USE IT OR THEY START & BACK OUT. THE TRACK WILL THEN GO ABANDONED. NOT ONLY HAVE YOU RUINED LAND AS IT CANNOT BE RECLAIMED AS PRODUCTIVE. LAND PRICES, DISRUPTED ROADS, CONSERVATION & ENVIRONMENT FOR EVERYONE IS PUT AT RISK.

IF RAILROAD TRACKS ARE ABANDONED, THAT LEAVES US WITH RAIL LINES TRACKS SITTING & RUSTING. IN THE MEANTIME OUR LANDS ARE UNPRODUCTIVE AT CAPACITY. THEREFORE SACRIFICING FUTURE FOOD SOURCES.

YOU SAY IT WILL CREATE MANY JOBS. WHERE? MAYBE AT FIRST. BUT THEN ONLY CERTAIN PEOPLE WILL BE NEEDED, IN THE

MEADTIME YOU'VE PUT FARMERS OUT OF
JOBS.

ON BEHALF FOR NOT ONLY FARMERS,
BUT CITIZENS WHOSE HOMES & LIVES
UPSET. PLEASE DO NOT GIVE THE GO AHEAD
TO PEOPLE WHO HAVE NO IDEA OR CONNECTION
TO THE SITUATION.

THANK YOU.
