- ☐ The proposed rail line is near my business.
- ☐ The proposed rail line crosses my property

☒ Other, please specify Quarry entrance blocks 353

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

Need 353 access to property north of quarry - ! build me a bridge!
pollution of Edwards Aquifer
destruction of shallow wells,
fault lines, caves, and springs

* Our property has been in family for 100 yrs

3. Please use this space for additional comments or suggestions.

Traffic of railroad, noise
pollution, danger of crossings
for school busses.
Rocks, dust, Air Quality

UT Dept of Transp. has been conscious of our
eco-system in that the highway has
kept beautiful with native vegetation
and wild flowers. They only show once
a year when veg. is dormant. Am I
to think the high wall of a quarry is part
of the eco-system?

Thank you for your comments.

The reason we located in Quihi is for peace & quiet. Now we are faced with noise and a regular rat-race!
