Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I own a business on the corner of 55 & 14
I am greatly concerned about the impact this
would have on my clients getting to the studio.
I also have 3 children in 3 Barrington schools.
I am concerned about the crossings as they
walk to town after school.

Last year one of my employees had to
be rushed to the hospital from an
injury that happened at work - if a
train had delayed the trip to the hospital.

I feel like this will clearly effect
my families quality of life. Please ~~consider~~
consider not letting a Canadian company
ruin our town.
