Hi Tracie,

I wanted to let you know that our office received the final Agency Consultation and Coordination Plan stipulated by the Northern Rail Extension PA. We will replace the draft plan contained in Appendix B of the PA with this final plan and understand that it also incorporates the Plan for Tribal Consultation contained in Appendix C.

Please let me know if you or STB need a formal letter from our office or if this email correspondence is sufficient. We appreciate the opportunity that we had to work with you and Catherine Glidden at STB in the development of this document in September.

Best regards,
Shina
