

Dear MR. Ken Blodgett,

Concerning the issue with the (GREAT BASIN RAILROAD) my husband John and I do NOT WANT to see our good friends Jerry and Kathi Jurkowski, have their beautiful farm and nature preserve ruined by this railroad, turning thru their property.

My husband and I are both Disabled. There was a time in our life that my wonderful husband and I needed to feel more useful + happy, due to our injuries.

The Jurkowskis gave us that by letting myself walk in the nature preserve, to help my legs that are with severe ARTERIES. My husband gets a chance every day to go to the farm and feed the farm animals.

If you take this from us,

we wouldn't have a purpose,
and feel like we were preserving
nature and future farm land
for our children and grand children.

Please DO NOT pursue the
RAIL ROAD thru our farm land
and nature preserves in the
county of Winnebago, in Illinois.
We need our friends and our
own happiness to be considered.

THANK you
