1 MS. MC GRATH: Elizabeth McGrath,
2 M-C-G-R-A-T-H.
3 I'm concerned about the number of
4 trains and the length of the trains and the fact

5 that we are north of the city would be impossible
6 to get to I-90. But I'm more concerned about the
7 first responders and the ambulances and things
8 like that, their ability to help people in
9 desperate situations.

10 And from a selfish standpoint, you
11 know, waiting three and five and seven minutes
12 two, three, and five times a day, people will
13 start avoiding Barrington more than they avoid it
14 now. So we won't grow as a community, a
15 commercial community.
