Please refer to Docket No. FD 36284 in all correspondence addressed to the Surface Transportation Board. All comments must be received or postmarked by August 5, 2019.

They have to choose a route where
is more desertic area, why affect
green area? if you have another option
kill trees, kill animals, kill water suply,
kill pretty much everything along the
route

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
