Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Barrington + Lake Zurich are already
impacted by too many trains. We do not
need 30 more! My greatest concern is
blocking roads which lead to Lost Shippend
Naise is another factor. Being late for
work and school is a big concern.
We do not need more congestion.

YOUR INPUT IS IMPORTANT!
