

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8-27-08

I had a heart transplant. It scares me that I might die if the ambulance can't get to my home. I'm only 19 years old, I want to feel secure in my town — I want to know that I have every chance to live.

Stop the CN Railway!
