Please provide any comments on the DM&E Powder River Basin Expansion Project Draft EIS.

Would like to ask that you redo your paperwork
So it is understandable also again to extend
your time frame another 180 days to allow
everyone the time they need to properly go
through all ~~these~~ documents you have
passed out. Also to have someone go out
to all the tribal people and have your
commitments sessions with them because not
all of them can make it out to places like
here in Rapid City.
