Please provide any comments on the DM&E Powder River Basin Expansion Project Draft EIS.

The expansion of DM&E Railroad is very obviously going to have only very negative impacts on Mankato + its surrounding areas. From what I have read + witnessed, what DM&E proposes to do is 1) Raise taxes, 2) Lower Property Values, 3) Raise noise levels 4) Pollute our air w/carcinogens 5) Rape the land 6) Increase accidents 7) Detract newcomers 8) Interrupt our peace + serenity, the list is endless!

Please don't allow this to happen. I'm sure collectively your group would not want to see this happen to you + your community.

My vote is for the no coal trains option.

Thank You for your
careful consideration.

Margot Weyhe
