ATTN: Victoria Rutson

I request your consideration of an extension of the 90-day review for the STB Finance Docket No. 33407/EIS Draft, DM & E Railroad Project.

This document of 2000 pages is impossible for the residents of the City of Skyline to review in such a limited timeframe. This document wasn't created overnight, and I'm certain you can understand that we need more than 90 days. Therefore, I respectfully request a 180-day extension beyond the January 5, 2001, deadline.

Thank you for your consideration of this request.

Sincerely,

Joslin W. Anderson
