Please provide any comments on the DM&E Powder River Basin Expansion Project Draft EIS.

How can this be? We first heard about this
project on Nov. 15th. Our officials were given the wrong
map & no one knew that the project would go through
Skyline & our beautiful wild life filled valley.

I feel this has been a sneak attack upon
us. This is like Dec. 7, 1941.

We're in the autumn of life & ill. How can I contact
officials or others who could help that the Nov. 27th
deadline allows?

This is an outrage?

Sadly,

PS We have Gray Fox, Wild
Turkeys & Deer come to our yard
several times a week. Also see
have Wild Geese, Blood Red, Dullhorn,
Jack in the Puffin & other wild flowers
on our property. Plus Eagles, Red tailed
Hawks & numerous other species of birds.
