The Honorable Linda Morgan
Chairman
Surface Transportation Board
1925 K Street, NW
Washington, DC 20423-0001

Dear Chairman Morgan:

Pursuant to the rules of the Committee on Transportation and Infrastructure, I have allowed the official record from the July 16th Subcommittee on Railroads field hearing regarding the proposed closure of the Norfolk Southern Hollidaysburg, PA car shops to remain open for thirty days.

However, a complete transcript of the hearing will be prepared for submission to the Board within the next five business days. I believe the Board will find value in this transcript and respectfully request that the Board withhold its decision on the Hollidaysburg situation until this information is received.

Thank you for your consideration of my request.

Sincerely,

Jack Quinn, M.C.
Chairman
Subcommittee on Railroads
