**STB Finance Docket No. 34040, Riverview Trenton Railroad Company –
Acquisition and Operation in Wayne County, Michigan 204664**

Dear Mr. Williams:

Yesterday, the undersigned counsel submitted a letter to the Board, transmitting certain materials related to recently-announce plans of Riverview Trenton Railroad Company (“RTRR”) regarding the project for which it seeks authorization in these proceedings, as well as regarding a public meeting held on January 24, 2002, in Southgate, Michigan, to discuss that project.

Although the letter did not so indicate, copies of that letter and its attachments (with one exception) were served on all parties to these proceedings. That one exception is that service copies of the letter did not include copies of the videotape of the January 24 meeting that was submitted to the Board, as it was not clear that all parties would have wanted copies of the tape (especially given that the service copies contained a complete written transcript of the tape), and because making duplicate tapes for all parties would have required considerable time and

Respectfully submitted,
