Re: STB Docket No. 42070

Dear Sir or Madam:

We have been informed that CSX Transportation, Inc. ("CSXT") may be required to produce a copy of Contract No. CSXT-C-04254 (the "Contract") between CSXT and Appalachian Power Company ("APCo") in the above referenced proceeding. We further understand that the Contract would be designated "Highly Confidential".

Nonetheless, we are hereby requesting that the STB deny Duke Energy Corporation's motion to compel the production of the Contract. We do not believe that it is appropriate that APCo's competitors can acquire information setting forth APCo's operating costs by filing an action with the STB. Those companies could then use such information to APCo's detriment. Alternatively, we propose that the Contract be redacted to delete financially sensitive material prior to its being produced.

Very truly yours,

Tim Stanley *me*
