**RE: *Government of the Territory of Guam v. Sea-Land Service, Inc.
and Matson Navigation Company, Inc.***
STB Docket No. WCC-101

Dear Secretary Williams:

On May 2, 2002, our cover letter inadvertently referenced the wrong docket number for the filing of the original and eleven copies of the signature page of the Verified Statement of Daniel Downes contained in the "Defendants' Initial Submission in Phase II -- Appropriate Standards of Rate Reasonableness." Also enclosed with the May 2nd cover letter were the original and eleven copies of Attachment A to Mr. Downes statement. The prior cover transmittal letter mistakenly referenced Docket No. WCC-105. The correct docket number is now referenced above.

Enclosed please find an additional eleven copies of both items to be filed in the correct docket, *Government of the Territory of Guam v. Sea-Land Service, Inc. and Matson Navigation Company, Inc.*, STB Docket No. WCC-101.

A copy of this letter and the attached materials has been served again on all parties of record. Please acknowledge receipt and filing of the enclosed material by stamping the eleventh copy of this letter, which is enclosed for that purpose, and returning it to the individual making this filing for return to me. Sorry for any inconvenience that this may have caused.

Yours very truly,

C. Jonathan Benner
