Re: STB F.D. 34225, Norfolk Southern Railway Company – Trackage Rights
Exemption – Reading Blue Mountain and Northern Railroad Company

Dear Ms. McNair:

Per your request, I am submitting this clarification to the notice of exemption filed in the above-referenced proceeding. The Reading Blue Mountain and Northern Railroad Company has granted to Norfolk Southern Railway Company trackage rights between MP 119.3 and MP 175.5. Due to historic reasons concerning the varied ownership of the subject line, there is a discrepancy, of approximately one-half mile, between the apparent and actual mileage between these two mile post locations. The statement in the application that the trackage rights grant was for approximately 56.7 miles is a correct statement.

Please feel free to contact me if you have any further questions.

Sincerely

John V. Edwards
