TO THE ATTENTION OF: Mr. William Washburn, Office of Economics, Environmental Analysis, and Administration

Re: CSX Corporation and CSX Transportation, Inc., Norfolk Southern Corporation and Norfolk Southern Railway Company -- Control and Operating Leases/Agreements -- Conrail Inc. and Consolidated Rail Corporation -- Finance Docket No. 33388 (Sub No. 90) (Buffalo Rate Study)

Dear Mr. Washburn:

Further to your conversation yesterday with my partner, Scott Zimmerman, I enclose a corrected CD-ROM containing Norfolk Southern's Buffalo-area traffic data for the period June 1, 2001 – May 31, 2002, along with a sheet explaining the layout of the data records. This is to replace the CD-ROM that Mr. Zimmerman sent you yesterday which, as he explained, contained data for an earlier period. I apologize for any inconvenience this may have caused.

Please note that the enclosed CD-ROM, and the data contained in it, are designated "HIGHLY CONFIDENTIAL" pursuant to the protective order in Finance Docket No. 33388.

Please feel free to contact me or Scott Zimmerman if you have any questions about the enclosed materials.

Sincerely,

Richard A. Allen
