Re: ***Duke Energy Corporation v. CSX Transportation, Inc.***, STB No. 42070

Dear Mr. Williams:

CSXT has identified a limited number of electronic workpaper files that were inadvertently omitted from the CDs submitted with CSXT's Reply Evidence and Argument filed on September 20, 2002 in the above-referenced case. Those files are:

(III-A) Appendix D Support.pdf;
(III-B) junction_points.xls;
(III-B) reroute2compare.xls;
(III-D) Operating Expense.xls;
(III-D) sd40leases.xls;
(III-D) Refund Analysis 4-25-02.xls;
(III-D) CSX Org Chart.ppt;
(III-F) III-F-1 Tesh Field Notes.pdf.

For the ease and convenience of the Board, enclosed please find 17 sets of revised substitute CDs. These CDs substitute and replace in their entirety all CDs submitted to date in connection with CSXT's Reply, including the CDs submitted with the filing on September 20 and the supplemental CDs submitted to the Board on October 3. Any earlier sets of CDs may be discarded. These substitute CDs contain a complete and accurate set of all electronic versions of the narrative, appendices, scanned workpapers, and electronic workpapers for CSXT's Reply, including the files indicated above.

There are also some citations to workpapers within CSXT's Reply narrative that refer to incorrect file names. The correct name for the workpapers are indicated below.
