**MOTION FOR EXTENSION OF TIME TO
FILE PETITION FOR RECONSIDERATION**

Pursuant to 49 C.F.R. § 1115.3(e), Dakota, Minnesota & Eastern Railroad Corporation ("DM&E") hereby seeks a 20-day extension of time to March 17, 2003 in which to file a petition for reconsideration of the Board's decision in these proceedings served February 3, 2003 ("the February 3 Decision"). In that decision, the Board denied DM&E's application seeking terminal trackage rights over approximately 3700 feet of trackage owned by the Union Pacific Railroad Company ("UP") in Owatonna, Minnesota.

Under the Board's rules, a petition for reconsideration of an entire Board action "must be filed within 20 days after the service of the action or within any further period (not to exceed 20 days) as the Board may authorize." 49 C.F.R. § 1115.3(e). Under this requirement, unless the date is extended, a petition for reconsideration of the Board's February 3 Decision would be due February 24, 2003.

Since the Board's February 3 Decision, DM&E has continued to negotiate with UP regarding Owatonna in accordance with the Board's directive:

We believe this matter must be resolved by the parties and we urge the parties to quickly resolve this issue. Because the record contains letters from many states, groups and political officials who believe that a prolonged delay in reaching an agreement would delay many of the benefits associated with the transaction, we will require the parties to report back to the Board on the status of their negotiations within 60 days of the service date of this decision.

February 3 Decision at 19.

To allow DM&E to devote its resources to the negotiations with UP and to avoid the expense of preparing and filing a petition for reconsideration that may not be necessary, DM&E respectfully requests that the Board extend to March 17, 2003 the time for DM&E to file any petition for reconsideration of the Board's February 3 Decision.

Respectfully submitted,
