SURFACE TRANSPORTATION BOARD

STB DOCKET NO. AB-471 *Sub No. 4X*

SOUTH KANSAS AND OKLAHOMA RAILROAD, INC. - - ABANDONMENT

PETITION IN INTERVENTION

COME NOW, ALFRED E. MULLEN and MARILYN S. MULLEN, TONYA ✓
ANNETTE MAHAN, JACK O. JONES, DONNA SUE JONES, WILLIAM L. CRAIN, and
LEONARD EASKEY, hereinafter referred to as Petitioners, by and through their attorneys
of records, Frasier, Frasier & Hickman, LLP, and for their Petition in Intervention would
state as follows:

That prior to October of 2000, South Kansas and Oklahoma Railroad Company
(SK&O) filed notice of exemption under 49 CFR 1152 Sub Part F, Exempt Abandonments
to abandon a 35 mile line of railroad between mile post 153.0 near Tulsa, and mile post 188.0
near Barnsdall in Osage and Tulsa Counties, Oklahoma.

That the Petitioners are parties in interest in that they are all property owners outside
of Skiatook, Oklahoma adjacent to the corridor seeking abandonment.

That in November of 2000, the Trust for Public Lands filed their request to negotiate
with SK&O for the rights of the corridor in question. Since said time, the Board has
continuously granted extensions of time to TPL to extend the negotiating period which is
currently set to expire May 19, 2003. Under the National Trail System Act, 16 U.S.C. §

1247, the Board may grant extensions up to 180 days and the continuous extensions are interfering with the Petitioners property rights and represents a denial of due process.

That it has been well over 2 ½ years since SK&O sought abandonment of the line in question, and as a result of these delays, the Petitioners have been subjected to numerous harms.

That during the interim of the negotiating period, your Petitioners have suffered trespass, destruction of personal property, and the section of the corridor in question adjacent to the Petitioners has been unkept, un-mowed and in a state of disrepair which is hazardous to the health, safety and welfare of the Respondents and their inhabitants.

That it is hereby the request of the Petitioners that the Surface Transportation Board deny any further extensions of time to negotiate to TPL or any other entity in that those actions continue to subject these Petitioners to numerous harms by the Board not allowing SK&O to abandon the line in question as should have been accomplished by November 7, 2000.

WHEREFORE, premises considered, Petitioners hereby request leave to intervene and further request that the Surface Transportation Board hereby deny any further extensions of time to TPL or any other organization and hereby declare the line in question abandoned by SK&O.

Respectfully submitted,

FRASIER, FRASIER & HICKMAN, LLP
