Dear Secretary Williams:
RE:

STB Finance Docket No. 34079
San Jacinto Rail Limited Construction Exemption and the Burlington Northern and
Santa Fe Railway Company Operation Exemption -
Build-out to the Bayport Loop near Houston, Harris County, TX

Certificate of Service

Petition for Reconsideration / Brian Pietruszewski

I have obtained a full service list from another pleading in this proceeding. I certify that I have this day served copies upon all parties of record in this proceeding, by certified mail, first class mail, or more expeditious means. Because of the extremely short time window for replies in this proceeding, I have already provided applicants' counsel, both for San Jacinto Rail and the Bayport Producers, with electronic copies of all files, including those on the CD. Additional copies have been sent to the Surface Transportation Board.

Brian Pietruszewski
