Re: STB Docket No. 42079
Ag Processing Inc v. Norfolk Southern Railway Company

Dear Secretary Williams:

This letter is to advise you that Complainant, Ag Processing Inc, believes that there is a possibility that the dispute in this proceeding may be resolved without the need for a Decision by the Board.

As a result of recent discussions between Norfolk Southern Railway ("NS") and National Grain and Feed Association (of which Ag Processing is a member), Ag Processing understands that NS is giving consideration to certain actions that could moot this dispute. Accordingly, as the party that has requested the Board to enter an injunction against NS, Ag Processing requests that the Board take no further action in this matter at this time. Ag Processing will undertake to advise the Board within the next four weeks regarding any perceived need for further proceedings or with respect to dismissal of the complaint.

Sincerely,

Andrew P. Goldstein
