**RE: Docket No. AB-55 (Sub-No. 644X)
CSX Transportation, Inc. – Discontinuance of Service
in Allegheny County, Pennsylvania**

Dear Mr. Williams:

CSXT would like to submit two changes regarding the above listed filing. The Traffic Certification (Exhibit B) should state Sub No. 644X. There also appears to be a discrepancy between the Traffic Certification and the Environmental Report (Exhibit D), Section 2. The Traffic Certification contains the most accurate information, therefore, please accept this letter as an amendment to the Environmental Report. Section 2 of the Environmental Report should instead state:

There is no passenger traffic on this line. There will be no substantial effect on existing regional or through freight transportation systems or patterns since all overhead traffic on the line will be routed North or South to the respective short line railroad.

This amendment should clarify the proposed action, however, feel free to contact me should you have any further questions.

Very truly yours,

Natalie S. Rosenberg
