Re: The A&R Line, Incorporated from railroad milepost 5.1W near Kenneth in Cass County, Indiana to milepost 21.0W near Winamac in Pulaski County, Indiana, a distance of 15.9 miles. The right-of-way is part of a line of railroad proposed for abandonment in STB Docket No. AB-855 (SUB-NO. 1X)

Dear Secretary Williams:

This request is filed on behalf of Indiana Trails Fund, Inc., which is a private/public interest organization interested in the conservation of railroad right-of-ways for both rail reuse and for such non-motor transportation as walking. ITF is hereinafter referred to as "proponent."

Proponent requests issuance of a Public Use Condition as well as an Interim Trail Use Condition rather than an outright abandonment authorization between Milepost 5.1W near Kenneth to Milepost 21.0W near Winamac in Cass and Pulaski Counties, Indiana.

A. Request For Public Use Condition

Proponent asks the STB to find that this property is suitable for other public use, specifically trail use, and to place the following conditions on the abandonment:

1. An order prohibiting the carrier from disposing of the corridor, other than the tracks, ties and signal equipment, except for public use on reasonable terms. Justification for this condition is: The corridor would make an excellent recreational trail and conversion of the property to trail use is in accordance with local plans. In addition, the corridor provides open space and its preservation as a recreational trail is consistent with those purposes. The time period sought is 180 days from the effective date of the abandonment authorization. Proponent needs this much time: to begin negotiations with the carrier.
2. An order barring removal or destruction of potential trail-related structures such as bridges, trestles, culverts and tunnels. The justification for this condition is that these structures have considerable value for recreational trail purposes. The time period

requested is 180 days from the effective date of the abandonment authorization for the same reason as indicated above.

B. Request For Interim Trail Use

The railroad right-of-way in this proceeding is suitable for railbanking. In addition to the public use conditions sought above, proponent also makes the following request:

STATEMENT OF WILLINGNESS TO ASSUME FINANCIAL RESPONSIBILITY

The property, known as the A&R Line, Incorporated from railroad milepost 5.1W near Kenneth in Cass County, Indiana to milepost 21.0W near Winamac in Pulaski County, Indiana, a distance of 15.9 miles.
