**Re: Canadian National Railway Company, et al. – Control – Duluth,
Missabe and Iron Range Railway Company, et al. (STB Finance
Docket No. 34424)**

Dear Mr. Konschnik:

Enclosed, as we discussed by telephone today, are 20 unbound copies of each of the maps that were included in the Railroad Control Application (CN-2) by Canadian National Railway Company and Grand Trunk Corporation in the above-referenced proceeding on November 5, 2003.

The map labeled "Exhibit 1, Map A" is found in black and white on page 32 and in color on page 325 of the application; the map labeled "Exhibit 1, Map B" is found in black and white on page 33 and in color on page 326; the map labeled "Exhibit 1, Map C" is found in black and white on page 34 and in color on page 327. The map labeled "Exhibit 1/Reciprocal Trackage Rights for DWP & DMIR is found in black and white on pages 280 and 306 and in color on page 328.

Although these maps should have been included with the copies of the application filed on November 5, in accordance with 49 C.F.R. § 1180.6(a)(6), they were omitted through an oversight.
