RE: Notice of intent to file Offer of Financial Assistance - *Great Western Railway of Colorado, LLC - Abandonment Exemption - In Weld County, Colorado. (STB Docket No. AB-857X)*

Dear Secretary Williams,

Pursuant to the Surface Transportation Board Notice of Exemption served November 10, 2003, the Windsor, Severance & Eaton Railroad, LLC (WS&E) hereby advises the Board and parties of record of its intent to file an Offer of Financial Assistance (OFA) under 49 CFR 1152.27. The OFA is to purchase all or part of the Great Western Railway (GWR) Eaton Subdivision, between milepost 30.8 near Windsor, Colorado and milepost 42.5 near Eaton, Colorado, totaling approximately 11.7 miles.

In connection with this notice of intent to file an Offer of Financial Assistance, WS&E requests that the applicant carrier (GWR) provide the information set forth in 49 CFR 1152.27(a) including the minimum purchase price required to acquire the Eaton Subdivision. We also request that GWR provide its most recent report on the physical condition of the involved line and traffic, revenue and other data necessary to determine GWR's estimate of net liquidation value of the line together with supporting data reflecting available real estate appraisal, assessments of the quality and quantity of track material in the line and removal cost estimates used to obtain the net liquidation value of the line.

Since it is unlikely that this information can be provided to the prospective offeror sufficiently prior to November 20, 2003, WS&E requests the Board to toll the 30 day period for submitting OFA's for an additional 30 days in order to provide WS&E with an adequate opportunity to review and analyze the material provided by GWR and submit their OFA. This will not prejudice the interests of GWR or any other party.

Sincerely yours,

Jason Midyette
