-- ABANDONMENT EXEMPTION --
IN ERIE COUNTY, NEW YORK

AMENDED NOTICE OF CONSUMMATION

R.J. Corman Railroad Company/Allentown Lines, Inc. ("RJC�") hereby notifies the Surface Transportation Board ("STB" or "Board"), as required under 49 C.F.R. § 1152.29(e)(2), that it has exercised its authority to abandon the remaining portion of the Walden Running Track between approximately milepost 414.83 and approximately milepost 418.50 and the entire JD Industrial Track between approximately milepost 0.00 and approximately milepost 0.60.

The abandonment of the entire Walden Running Track and JD Industrial Track was authorized by the Board in a decision served on December 10, 2002 in this proceeding. On November 14, 2003, RJC� filed a Notice of Partial Consummation indicating that it had satisfied all of the conditions imposed by the Board on its abandonment authority and that it had consummated the abandonment of the portion of the Walden Running Track between approximately milepost 413.90 and approximately milepost 414.83. In that Notice of Partial Consummation, RJC� indicated that it was not at that time consummating the abandonment of the remainder of the Walden Running Track or the JD Industrial Track because of the possibility of converting those properties into rail-trails.

RJC� is hereby notifying the Board that it is consummating the abandonment of the remaining portion of the Walden Industrial Track and the entire JD Industrial Track as of

November 14, 2003.¹ RJC� has discontinued operations, canceled tariffs and intends that the entire Walden Running Track and JD Industrial Track be removed from the interstate rail network. RJC� certifies that a copy of this Amended Notice of Consummation has been sent to the New York State Department of Public Service, as shown on the attached Certificate of Service.

Respectfully submitted,
