**RE: Request for Extension of Notice of Interim Trail Use
Wisconsin Central/Canadian National Abandonment
AB 303 (Sub No. 25X)**

16

Dear Mr. Williams:

The Stockbridge-Munsee Community ("Tribe") and Canadian National are still having discussions over the possibility of rail banking for the CN corridor in Wisconsin between mileposts SH 303 and SH 306.4.

The Tribe's attorney, Paul Stenzel, who had been working on this project left the Tribe's employment in August of 2003. I am now the attorney who will be representing the Tribe in this manner, and need more time to educate myself on all the details related to this matter. Nevertheless, the Tribe continues to desire to continue negotiating with CN on the possibility of rail banking.

Therefore, the Tribe requests that the Notice of Interim Trail use originally granted on December 24, 2002 and be extended for an additional 180 days.

Sincerely,

Douglas Huck
Staff Attorney
Stockbridge-Munsee Community
