Complainant,

v.

STB Docket No. WCC-10501

MATSON NAVIGATION COMPANY
and SL SERVICE, INC.,
f/k/a SEA-LAND SERVICE, INC.,

Defendants.

UNOPPOSED MOTION FOR EXTENSION
OF TIME TO FILE REBUTTAL STATEMENT

COMES NOW, Complainant, DHX, Inc., by and through its counsel, and submits this unopposed motion for extension of time to file Rebuttal Statement. In support of this motion DHX states as follows

1. The proceeding involves large quantities of highly confidential commercial information which is subject to a protective order. The counsel for the parties have worked out a process through which the parties have been able to avoid any substantial issues regarding this confidential information.
2. On December 23, 2003, defendants filed their Reply Statements and Complainant's Rebuttal is due January 26, 2004. The Reply Statements contain substantial contentions regarding DHX's finances and activities which require that DHX counsel obtain the input and assistance of DHX personnel in order to properly respond.

2.

3. On January 5, 2004 counsel for DHX and SL Service, Inc. were able to conclude a final public version of defendant's Reply Statements which could then be provided to DHX personnel for review and comment.

4. On January 6, 2004 counsel for Matson Navigation Company provided to counsel for DHX a revised copy of Matson's Reply Statement which could be provided to DHX personnel without violation of the involved protective order.

5. These documents have been provided to DHX personnel and counsel has been informed that a proper response can not be provided in sufficient time to meet the January 26, 2004 Rebuttal date.

6. Counsel for DHX has contacted counsel for regarding this request for a short extension of time in which to prepare the involved Rebuttal and defendants have advised that they do not object to this request and in fact consent to an extension of time to FEBRUARY 3, 2004 in which to submit Complainant's Rebuttal Statement.

7. The assistance of DHX personnel in preparing a proper response is necessary to the Rebuttal in this proceeding and without such, an effective Rebuttal would be jeopardized.

Accordingly, it is hereby respectfully requested that the Board issue an Order extending the time in which DHX, Complainant herein, may submit its Rebuttal Statements to and including FEBRUARY 3, 2004.

3.

Dated - 13 January 2004
